App Name (max 30 chars)

FlyConnect

Alternative:

FlyConnect – Crew Network

Short Description (max 80 chars)

The social network for airline crew – connect, share, and find your flight crew.

Alternatives:

- For pilots, flight attendants & crew – connect with your tribe. (63 chars)
 - Aviation crew network: meet colleagues, share layovers, find crew deals. (72 chars)
-

Full Description (max 4000 chars)

FlyConnect is the social network built exclusively for aviation crew – pilots, flight attendants, gate agents, ground crew, and other aviation professionals. Connect with colleagues across airlines, find layover buddies, discover crew-only deals, and build lasting friendships with the people who share your lifestyle.

FEATURES

CREW FEED

- Share your layover moments, airport shots, and travel stories
- Follow crew from your airline and others
- Discover trending posts from the global aviation community

MEET YOUR CREW

- Swipe-match with nearby pilots, flight attendants, and crew
- Filter by airline, position, and home airport
- Three match modes: buddy (for friendship), travel (for layovers), and dating
- Real-time chat once you match

GROUPS & COMMUNITIES

- Join groups by airline, route, or interest
- Private group chats for your base, your fleet, or your crew
- Share photos, events, and announcements

EVENTS

- Discover crew meetups in your city or on layover
- RSVP to crew parties, training meetups, and industry events
- Businesses can create featured events for aviation audiences

CREW DEALS

- Exclusive discounts at airport lounges, hotels, restaurants, and transport
- Verified business partners offering real savings for crew
- Save and share the best deals with your crew

SAFE CHECK

- Share your safety status ("safe", "unsure", "need help") with your network
- Useful for crew on layover in unfamiliar cities
- Voluntary, private, and under your control

DIGITAL PASSPORT

- Track the countries, cities, and airports you've visited
- Beautiful passport view of your travel history
- Show off your routes to other crew

BUSINESS ACCOUNTS

- Restaurants, lounges, hotels, and transport providers can create promotions
- Reach aviation crew directly with geo-targeted offers
- Built-in analytics and event management

PRIVACY & SAFETY

- Block and report tools on every user, post, and group
- Optional identity verification for authentic crew profiles
- Full control over who can see your location and profile
- Delete your account and data anytime from Settings
- End-to-end encrypted direct messages (coming soon)

WHO IT'S FOR

FlyConnect is for active aviation crew including:

- Commercial pilots (Captain, First Officer)
- Flight attendants and pursers
- Ground crew and baggage handlers
- Gate agents and customer service staff
- TSA officers and airport security
- Maintenance and engineering crew
- Cargo pilots and charter crew

And for businesses that serve the aviation community.

GLOBAL

FlyConnect is available worldwide. Connect with crew from major carriers: American Airlines, Delta, United, Southwest, JetBlue, Alaska Airlines, Spirit, British Airways, Lufthansa, Emirates, and more.

FREE TO DOWNLOAD

FlyConnect is free to use. Business accounts may offer paid promotions (always marked as such).
